

Churubusco Community Child Care Center

A Few Minutes with Michelle

It's amazing that June is already half over! We sure started off with a lot of heat. During excessive heat we will not spend as much time outside as we would like to. The children play so hard that we do not want them to over heat.

Also please make sure that your child has sunscreen for their outside time. We will let you know when they are running low.

Please make sure that you are checking your child in and out on the computer. It helps us keep an accurate count in the building.

If you child has received any immunizations recently please make sure to turn a copy in to Margie or myself.

Don't forget to celebrate our Dad's on Father's Day June 18th. We wish every Dad, Grandpa, Uncle, and God Father a great Father's Day. Enjoy your day!

Splash Pad

It is that time of year again for our weekly visits to the Splash Pad! Please make sure that you sign the permission form in your child's cubby. The 3's will be going to the Splash Pad on Tuesday's from 2:30-3:30. The 4's and Pre-K will be going to the Splash Pad on Thursday's from 2:30-3:30. Our weekly visits will last through the week of August 7th. Please make sure that your child brings clothes to get wet in, a towel, and sun screen.

We will be closed on Tuesday July 4th in observance of 4th of July. We will reopen on Wednesday July 5th at normal time. We hope that everyone has a safe holiday.

July Celebration

Mark your calendars as we will be having our July Celebration again this year on Thursday July 27th from 6:00pm through 8:00pm. We will have games in the classrooms, a bounce house, small snacks, drinks, and a train ride. Don't forget that our little ones will be performing this year again – as well as Pre-K Graduation! Also this year our children will be performing 1 song with Miss Shauna our Music Enrichment teacher, as well as our children that are in gymnastics will be putting on a small show. We are also hoping to add a Book Fair in the School Age Room this year! We have exciting things happening here and we cannot wait to share! **YOU DON'T WANT TO MISS THIS GREAT TIME TO SEE YOUR CHILDREN PERFORM, TALK WITH THE TEACHERS, AND MINGLE WITH THE OTHER PARENTS!**

Please let us know if you have any questions on any of the field trips for Pre-K or School Age we would be happy to answer them!

School Age Field Trips

They have a busy July!
